15. Consider a motion to approve the following inspection reports and file as part of the legal system record:

System	Comm. District	Report Notes
CD5	1 & 4	Beaver issues near the outlet (trees present), road crossings have sediment built up, multiple tile outlet & side inlets are failing, portions of the open ditch appear to need cleaned
CD10	4	Head wall where main tile outlets is failing, heavy weed pressure in areas, private open ditch appears to be a large sediment source to the public open ditch
CD11	4	Suspicious wet area in the pasture north of 160 th , tile could be broken
CD14	1 & 4	Portions of the old main appear to be breaking down in the ditch bank causing sloughing in areas, ditch bottom cleaning appears to be needed in areas, some tile outlet & side inlets failing
CD16	4	Waterway over the main line tile should be monitored
CD19	4	Outlet needs investigated & tile near 160 th St. (suspected failure)
CD25	1 & 5	Good condition
CD34	5	Tile outlet needs repaired, surface intakes on the tile are in poor condition, outlet from IA is causing erosion
CD56	4	Good condition
JD6F	1 & 4	Battled beavers the past few years, ditch cleaning needed, failing tile outlets, side inlets, and culverts observed. Surveyed in 2021. Staff repair report and system meeting in the near future.
