April 7th, 2023

System: County Ditch No. 64
Location: Kiester Township Sections 4-9, 16-17;
Seely Township Sections 1, 12

RE: Repair Informational Meeting

Dear Landowner:

There will be a repair informational meeting on Faribault County Ditch #64 (CD64) held on **Thursday, April 27th, 2023, at 9:00 am at the Bricelyn Community Center** (307 North Main Street Bricelyn, MN 56014). Concerns regarding a crossing on CD64 have been raised near the outlet of the system. The Faribault County Drainage Authority hired a certified MnDOT bridge inspector to complete an inspection of the bridge. The inspection resulted in the bridge in poor condition including a load restriction posting and replacement as soon as possible. An Engineer was hired to compile replacement options. The report can be viewed at the Faribault County Drainage Department Office or online at <https://www.co.faribault.mn.us/drainage/pages/notices-reports>. Landowners are encouraged to attend the meeting in-person or virtually on April 27th, 2023.

Landowners can join this meeting 1 of the following 3 ways.

1. In person at the Bricelyn Community Center (307 North Main St. Bricelyn, MN) ***Map on Back**
2. By phone/call-in
3. By Zoom (internet meeting)

If you would like to join the meeting via Zoom you will need a computer, internet, microphone, and speakers. If you do not have a microphone built into your computer, you can call in as well to be able to hear and talk. **If you would like to join via Zoom and/or phone/call-in, please contact the Drainage Department by phone 507-526-2388 or email linda.adams@co.faribault.mn.us by April 26th, 2023, for information needed.**

At the meeting, the Engineer will present the Repair Report. Landowners are encouraged to attend and provide input on the pending repair. If you have questions or concerns, please contact the Faribault County Drainage Department at the office 507-526-2388 or by email merissa.lore@co.faribault.mn.us.

Sincerely,

Merissa Lore
