There will be an informational meeting held on **Thursday, August 26th, 2021, at 9am at the Bricelyn Community Center (307 N. Main St. Bricelyn, MN)** on Faribault County Ditch #64 (CD64). A repair petition for repairs to the open ditch of CD64 was filed on February 15th, 2018. Repairs have been on hold while grant funds were secured in collaboration with the Faribault County Soil & Water District (SWCD) to offset costs of proposed repairs. This meeting will cover the proposed repairs, associated costs, and grant funding available.

Due to the pandemic with COVID-19, landowners can join these meeting/hearings 1 of the following 3 ways.

1. In person at the Bricelyn Community Center (307 North Main St. Bricelyn, MN) ***Map on Back**
2. By phone/call-in
3. By Zoom (internet meeting)

Social distancing will be followed if attending in person. Face masks will be optional. If you would like to join the meeting via Zoom you will need a computer, internet, microphone, and speakers. If you do not have a microphone built into your computer, you can call in as well to be able to hear and talk. **If you would like to join via Zoom and/or phone/call-in, please contact the Drainage Department by phone 507-526-2388 or email sara.hauskins@co.faribault.mn.us by August 25th, 2021, for information needed.**

The informational meeting is to discuss options and get landowner feedback on the proposed repairs. A copy of the draft repair report is available online at <http://www.co.faribault.mn.us/drainage/pages/notices-reports> or by contacting the Drainage Department. If you have questions or concerns, please contact the Faribault County Drainage Department at the office 507-526-2388 or by email merissa.lore@co.faribault.mn.us.
