County Board Motion

**BACKGROUND:**

Street name signs are essential to E911 services.

Townships are responsible for traffic signs on their town roads. Townships do not have their own forces and equipment to install signs.

**POLICY STATEMENT:**

Faribault County will furnish and install street name signs on all county highways and township roads at no cost to the townships.

Faribault County will furnish and/or install traffic signs as requested for county townships and/or cities. The township will be billed for time, equipment and materials for each sign installed or just materials for signs picked up at the Blue Earth garage.

**Township Responsibility:**

Provide a map clearly marking the signs to be repaired or replaced.

Pay for signs and services rendered.

**County Responsibility:**

Call Gopher One for utility locates. This requires a separate site visit from the actual work

Order signs and schedule work. County signs have priority over township work.

Provide bill to Township.

**2019 RATES**

\$65 / hour	Sign man and sign truck (time starts at Blue Earth garage)
\$10-20.00 / each	Sign posts (depending on size)
\$10.00 / SF	Sign Panels

The County reserves the right to adjust these costs annually.
